NINETY OLD "GRADS" FORM H. S. ALUMNI

ENTHUSIASTIC MEETING HELD AT AUDITORIUM LAST NIGHT.

DR. MALOTTE, PRESIDENT

Executive Board Is Composed of Seven Members—Pledge Unanimous Support to New Gymnasium Proposition.

A permanent organization of High School alumni was formed last night by about ninety graduates of the school who met for this purpose at the school auditorium. The executive board is composed of seven, made up of the executive officers and four directors. These elected last night are, Dr. Karl Malotte, president; Fred Wolfers, vice-president; Dr. Jesse Miller, Jr., secretary and treasurer; Miss Nelle Hudson, Miss Elizabeth Leet, E. E. Williams and John Price, directors.

The constitution and by-laws were formerly adopted, the plan being that universally used in all high school alumni organizations. There are no dues, any special event being financed by assessment. The annual meeting is held according to established custom during commencement week with a banquet and social gathering. Any other meetings to be held will be by a specially called order. A publicity and entertainment committee was appointed last night, the former composed of Miss Katherine Schenck and Cliff Hull, and the latter of Mrs. Bruce Montgomery, Miss Gladys Bookman and Clarence Cook.

The meeting was very enthusiastic last night, the graduates of ten, fifteen and twenty years back giving their class yells with as lusty lung power as the 1919 crowd. A lot of things were discussed informally, the principal one being that of a new gymnasium. The sentiment was unanimously in favor of one and the new organization pledged its hearty support to any action taken by the board for establishing one.

The matter of teachers' salaries was discussed and all graduates were very much in favor of some plan being promoted whereby the Maryville teachers should be better paid than they are at present. Other things for the welfare of the school were talked over and many informal talks made.

DEMOCRATS WILL MEET AT JOPLIN ON MARCH 31

Women Will Have Equal Representation in Electing Delegates—Indorsed President and League.

Jefferson City, Jan. 30.—In addition to choosing Joplin as the place and March 31 as the time for holding the Democratic convention for electing the four delegates at large to the national convention, the state committee in session here yesterday, adopted a resolution indorsing President Wilson and League of Nations.

Women will have an equal representation with men, it was also decided by the committee, and they will be permitted to elect their own delegates to the Joplin convention. There will be 1,157 delegates. At the meeting yesterday a resolution also was adopted giving official recognition to the negro Democratic clubs of the state and assuring them the full support of the state convention.

The resolution approving President Wilson and his stand on the League of Nations said in part:

"We heartly indorse the administration of President Wilson and the recent Democratic congress and renew our allegiance to the president in his efforts to secure the approval of the treaty of peace and the covenant of the League of Nations."

Governor Gardner was selected temporarily chairman of the state convention. The resolution concerning President Wilson and the League of Nations was reported by a committee of which Frank Farris of Phelps county was chairman.

When Farris had completed the reading of the resolution, R. E. O'Malley of Kansas City offered a substitute providing that the committee petition the United States Senate to have the league submitted to a referendum. Failing to get a second to the motion O'Malley moved that the committee declare for the league with reservations. That motion failed to receive a second and O'Malley called upon Casimir J. Welch of Kansas City, a justice of the peace to second it. Welch declined cheers and applause following his refusal.

Miss Hattie Jones and Miss Viva Graves represented the Burlington Junction school and Frank Baker and Ted Williams of Stanberry. The subjects are taken under the direction of the state debating league.

BROWN AND HEIFNER ACCEPT CHALLENGE

MARYVILLE MEN ANXIOUS FOR RACE—CARMICHAELS HOUNDS

CHECK $150 TO WINNER

Selected J. S. Carden as Their Judge—Carmichael to Select One, Then the Two Men to Pick the Tihrd Judge.

Homer N. Brown and J. J. Heifner of this city has accepted the challenge of Mart Carmichael of Hopkins for a fox hound race. In a letter which Messrs. Brown and Heifner are sending to Deacon Moorhead, editor of the Hopkins Journal, they write as follows:

Editor Journal,
Hopkins, Mo.

Dear Sir:

We accept Mr. Carmichael's challenge, providing he will put a cash value on his dog, and if we win, we are to have the privilege of accepting either the cash or the dog.

We do not want Mr. Carmichael to flim flam us in putting off on us a dog that he, we, or no one else would have. Some fox hunters have dogs they cannot give away, and they use mysterious ways in getting rid of them.

Enclosed you will find check for $150, payable to Mr. Carmichael in case he wins. This is the price we place on our dog, and the price Mr. Carmichael claims he refused for his dog.

We have selected J. S. Carden of Quitman to act as our judge. Mr. Carmichael to select one and these two to select the third. This race or races to be run according to the rules of the The Missouri Valley Fox Hunters association, or any rules adopted by the three judges. The judges to select the time and place these races are to be run.

If Mr. Carmichael still thinks he has the fastest dog in the state we would like to have the privilege of withdrawing this check and making it $500 for if we win we would like to have enough to give every fox hunter in Nodaway county an up to date banquet at our expense, and if we loose we would like to be so humbled that we could get this hound dog business out of our head for all time.

We trust that Mr. Carmichael will quit his ridge running and select his judge and settle this dispute.

WANT JUDGE CHARLES H. MAYER FOR GOVERNOR

St. Joseph Man is Asked to File for the Democratic Nomination by Worth County Democrats.

The Worth County Times of Grant City stated that petitions have been circulated in that county urging Judge Charles H. Mayer of St. Joseph to become a candidate for governor on the Democratic ticket. Judge Mayer has many friends in Nodaway county who would like to support him for this office. The following is the article from the Times at Grant City:

Petitions asking Judge Charles H. Mayer of St. Joseph to file as a candidate for the Democratic nomination for governor to succeed Governor Gardner have been signed by numerous Democats of Worth county this week and we understand will be forwarded to Judge Mayer in the next few days. Judge Mayer is well and favorably known to the people of this county, he having held a special term of the Worth county circuit court for Judge John M. Dawson in the spring of 1917. During his services here in that capacity he won the greatest respect of all our citizens who came in contact with him and are enthusiastic in their support of him for our next Governor. It seems to be clear that he will receive strong support from Worth county if he decides to enter the race for governor. It is generally felt that he would make a worthy successor to the present governor.

Judge Mayer was born in Boone county, Missouri, February 8, 1876. He received his education at Wentworth Military Academy Cornell university and was admitted to the bar in 1898. He served one term as a member of the State senate from Buchanan county and as Circuit Judge. He has made good in every official position. In Judge Mayer Northwest Missouri has a strong candidate for this high position who will fill it with honor and credit to the state.

CONCEPTION COUPLE CELEBRATE GOLDEN WEDDING ANNIVERSARY

Mass at Conception Abbey Celebrates the Event for Judge and Mrs. John Schieber.

Fifty years ago, upon or near the spot where stands the cemetery chapel at Conception stood the old frame church that for some years before, and many years thereafter, served as a place of worship for the people of Immaculate Conception Parish.

This country was then but sparsley settled, and despite the many hardships and privations endured by the settlers they were, as a rule, happy and content.

On January 25, 1870, a wedding ceremony took place in this church. The Rev. Father Turk pronounced the words that united in marriage Mr. and Mrs. John Scheiber. In this ceremony the Reverend Father was assisted by Andrew Bliley as server.

In commemoration of that event, on Tuesday, January 27, 1920, at 9:00 a. m., in the beautiful abbey church, a mass was celebrated at which their son, Rev. Father Odillo, of Maryville officiated, the server being Andrew Bliley who, fifty years before, acted in the same capacity at the wedding. Mr. and Mrs. Scheiber, the bride of groom of half a century ago, surrounded by their children, were devout worshipers at this Holy mass.

After Mass a sumptuous dinner was served in the parish hall to about 50 relatives and friends.

A four piece orchestra, under the direction of Rev. Father Sylvester, furnished music for the occasion.

After dinner a splendid talk was made by the present pastor of Immaculate Conception Parish, Rev. Father Placid.

The afternoon was very pleasantly spent by the guests, in various amusements, after which they all returned to their respective homes, wishing Mr. and Mrs. Scheiber many more happy years.

The following notice is taken from the Conception Courier. There were sixty eight of the Scheiber family present at the celebration. Judge Scheiber was born in the province of Lorraine, Nov. 11, 1845. He came to America in 1862 and to Nodaway county in 1868. His wife was Miss Henrietta Myer, a native of Prussia, who came to this country in early girlhood. They were married at Old Conception and that has been their home continuously since. Eleven children were born to them, one dying in infancy and another son, the Rev. Father Basil who was ordained to the priesthood in 1909, died last year. At the time of his death Father Basil was perfect of the college of the monastery at Mt. Angel, Oregon. Rev. Father Odillo, priest at St. Mary's in this city was ordained in 1902.

Judge Schieber has held several important county offices and been one of the most estimable citizens of the county. The felicitations of many friends from all over the county have been offered the Judge and his wife on this anniversary.

DRUGGISTS CAN SELL LIQUOR

DOCTORS WILL BE ALLOWED TO PRESCRIBE SPIRITS IF NEEDED

ONLY 6 QTS. AT A TIME

Liquor Must be Bought Under Government Permit—Prescriptions on U. S. Stationery.

Washington, Jan. 30.—Methods by which intoxicating liquors may be obtained for medicinal purposes and detailed regulations governing their sale were made public last night by the bureau of internal revenue. Announcement also was made that the bureau had compiled a system of permits providing a definite and fixed channel through which all intoxicating liquors must move and by which hereafter the government will know the location of every gallon of distilled liquor within the nation's boundaries, except that stored in private homes.

In setting forth the ways in which liquor may be procured Commissioner Roper took occasion to issue a warning against profiteering in its sale.

Both Must Have Permit.

Both the Physician who prescribes and the pharmacist who sells liquor the regulations provide, must have a permit which may be obtained from the federal prohibition director. Other details of the method by which liquor for medicinal purposes may be purchased follow:

"Any physician duly licensed to practice medicine and actively engaged in the practice of such profession may obtain a permit to perscribe intoxicating liquor and may then issue prescriptions for distilled spirits, wines or or certain alcoholic medicinal preparations for medical purposes for persons upon whom he is in attendance in cases where he believes that the use of liquor as a medicine is necessary. In no case may spirituous liquor be prescribed in excess of one pint for the same person within any period of ten days.

"All prescriptions for intoxicating liquor are required to be written on prescription blanks provided by the bureau, except that in emergency cases physicians may use their regular prescription blanks.

Only by Registered Pharmacists.

"Prescriptions for intoxicating liquor may be filled only by registered pharmacists who hold permits authorizing them to do so, or who are employed by retail druggists holding such permits. Pharmacists and druggists holding such permits will procure their supplies of intoxicating liquor from manufacturers or other persons holding permits authorizing them to sell liquor.

"Persons whom prescriptions for intoxicating liquor are issued by physicians my procure the liquor prescribed through pharmacists or druggists holding permits.

"Physicians may also obtain permits entitling them to procure not more than six quarts of distilled spirit wines, or certain alcholic preparations during any calendar year for administration to their patients in emergency cases where delay in procuring liquor on a prescription through a pharmacist might have serious consequence to the patient.

Hospitals to Get Quota.

"Provision is also made in regulations for issuing permits to hospital and sanitoriums to enable them to procure intoxicating liquor to be administered for medicinal purposes to patients at such institutions and also for issuing permits to manufacturing industrial and other establishments maintaining first aid stations, authorizing them to procure such liquor for administration to their employes for medicinal purposes in emergency cases

BURNS CASE TO JURY LATE TODAY

ALL EVIDENCE IS IN AND ATTORNEYS ARE ARGUING CASE.

WAS SEEN IN CLEARMONT

John Blackford and Hubert Garrett Said Burns was in that Town—Sedalia Men Said Burns was in Sedalia.

The case of the State against Owen J. Burns, charged with the burglarly of the Jackson Bank at Clearmont on the night of October 24 or the early morning of October 25, will not go to the jury before late this afternoon. The defense completed presenting their evidence this afternoon

The defense introduced several Sedalia men who testified to having seen Burns in Sedalia on October 23, 24 and 25. Some of them had business dealings with Burns in which checks and an order for automobiles for next year were presented, some of the checks bearing the date of October 24, and others October 25. A real estate agent testified to having made a trip with Burns in his car to the farm of John R. Gentry, close to Sedalia, on the afternoon of October 24. Mr. Gentry, who was on the stand, told of the visit of the real estate agent to his farm, and also of seeing Burns. Mr. Gentry said he thought the day they visited his farm was four or five days before the date of his sale, which was on October 29.

The defendant, Burns, took the stand this morning and said he was in Sedalia of the week ending October 25, of the parties he had business with and also of other incidents in connection with his business. His wife, Mrs. Burns, also stated that her husband had not been away at nights during that week.

The state rested their case late yesterday afternoon. John Blackford of near Clearmont was positive he had seen Burns in Clearmont on the afternoon of October 24, looking up at the telephone cable running into the central office. Mr. Blackford stated he knew it was that day on account of having been called to Clearmont in regard to telephone business. Hubert Garrett also said he had seen Burns in Clearmont on one of three days, October 23, 25 or 27. He was not sure as to which day it was. Garrett said Burns was accompanied by two men and that they purchased gasoline and oil at his garage.

Two Sedalia men who had purchased the stolen liberty bonds from Burns said they paid Burns $92 on each $100 for the bonds. Burns told them he had traded cars for the bonds.

The Sedalia men who testified for the defense were H. E. Terry, John R. Gentry, Fred W. Anderson, R. F. Sellers, Clarence Larm, Herman W. Swope and Andrew Turley.

No cases are set for trial tomorrow in circuit court. On Monday the case of the State against James N. Reed on a charge of grand larcency will be the first case tried.
